

The American Chemical Society

Southwest Georgia Section

Press Release

January 2015

The Southwest Georgia Section of the American Chemical Society has elected a new Executive Committee for the 2015 year. The officer election results are as follows:

Chair (elected in 2014): Tzvetelin Iordanov, Georgia Southwestern State University

Chair-Elect: Dean Duncan, Valdosta State University

Treasurer: Nediarka Iordanova, Georgia Southwestern State University

Secretary: Ligia Focsan, Valdosta State University

Councilor: Jesse Spencer, Valdosta State University

Alternate Councilor: Linda de la Garza, Valdosta State University

The section thanks the following leaders for their service:

Past-Chair: Alfred Fuciarelli, Valdosta State University

Councilor: Subhash Goel, South Georgia State College

Alternate Councilor: Betty Derrick, Valdosta State University

The American Chemical Society is a professional organization for chemists. It is the world's largest scientific society and one of the world's leading sources of authoritative scientific information. The Society publishes numerous scientific journals and databases, convenes major research conferences, and provides educational, science policy, and career programs in chemistry. It is a non-profit organization chartered by the U.S. Congress to help foster the public welfare and education and add to the material prosperity and happiness of our people. At the local level, the section sponsors K-12 student contests and many outreach events for the Southwest Georgia community.

Please visit the section website to see a list of the programmed 2015 events and other news:
