

Southwest Georgia Section of the American Chemical Society presents:

MADAME CURIE

**Greer Garson, Walter Pidgeon, Henry Travers
MGM/UA; Directed by Mervyn LeRoy
Black and White; Not Rated; 124 minutes; 1943**

Behind the discovery of radium lies the story of Marie and Pierre Curie—a moving human story of two people who work together on what seemed a hopeless task. An insightful screen biography.

**Friday November 11, 2011
Student Union Theater, VSU
6:00 PM Social Period
6:30 PM Movie**

*Celebrating 100 years of the
Nobel Prize in Chemistry to Marie Curie
for her work in radioactivity*
